

# Faithfulness Is Success

Our Commitment to  
Financial Integrity

## Entrusted with Truth

Ligonier Ministries exists to proclaim the holiness of God to as many people as possible. Knowing we must give an account to the Lord for our financial integrity as well as our theological integrity, we strive to faithfully steward every dollar you contribute to this mission.

The fear of the Lord compels us to operate with transparency as we spread biblical truth worldwide. You can view information from our annual financial statements at [Ligonier.org/financial](http://Ligonier.org/financial).

### THANK YOU

We are grateful for your partnership in the gospel. By God's grace, your generosity helps take trusted Bible teaching to a world in need.

### Held to the Highest Standard

The IRS classifies Ligonier as an "Association of Churches" under the 501(c)(3) federal tax code. This designation, given to many parachurch organizations who seek to serve local churches around the world, protects our mission and our donors by:

- Safeguarding donor information and giving histories from unnecessary disclosure;
- Preserving ministry independence from overreaching government regulation;
- Reducing expensive paperwork so more resources can reach the mission field; and
- Accurately reflecting our role in spreading the gospel to support the global church.

Ligonier is also a charter member of the Evangelical Council for Financial Accountability (ECFA), adhering to its seven standards of responsible stewardship.
